INVITATION TO PARTICIPATE IN INTERNATIONAL FAIR BH2010

General Information

Parallel to the event there will be a scientific-commercial exhibition at the Grand Foyer of the Havana International Conference Center, venue of the event, where specialized enterprises, and companies will present their equipments, medical products, materials and literature related to the topic of the Congress.

The price of the modular indoor stand is 110.00 Euros per square meter with a minimum of 9 squares meter for the whole period of the exhibition and includes:

- Assembling
- Electricity consumption up to 500 W
- Modular white panels (2.50 x 1.00m)
- Name badges
- Label with the company name

The position in the plan will be a proposal of the Organizing Committee according to the reception of applications.

Facilities for renting audio visual aids and furniture will be offered according the current tariffs at the moment of the event.

CALL FOR SPONSORING

We are pleased to offer companies and organizations the opportunity to be corporate sponsors for the scientific meeting **Biotechnology Havana 2010 - INTEGRAL CARE OF DIABETIC FOOT ULCER PATIENT USING HEBERPROT-P** on October 20-22nd, 2010.

All sponsors will be accepted on a first-come, first-served basis. Sponsoring of the symposium is most welcome and would be used to reduce rates for students and young scientists, and to enhance the meeting in other ways. Links to sponsoring companies and organizations will, if so desired by the sponsor, be put on the web side, and representatives would be wellcome to attend the meeting (at a special corporate rate).
