*In line with the Congress there will be a scientific-commercial exhibition in the Main Lobby of the Havana International Conference Center, the venue for the event. This will be an excellent opportunity for companies, laboratories and specialized firms, from home or abroad, to exhibit and market their equipment, medicines and other materials related to the topic of the event.*

*The price of the assembled indoors modular stand is 100.00 CUC per square meter for the whole exhibition period. This price includes:*

- *Stand assembly with 94,8m X 2,42m white modular panels*
- *Participation in all the activities of the event*
- *Electricity consumption up to 500 W*
- *Name badges according to the reserved space*
- *Label with the name of the company*
- *Stand cleaning*
- *Security of the samples after exhibition hours*
- *Participation certificate*

*The minimum space to be contracted is 9 square meters (3 X 3 m).*

*If you wish to make your own design, the price of the unassembled space is 90.00 CUC per square meter for the whole exhibition period. It includes:*

- *Electricity consumption up to 500 W*
- *Participation in all the activities of the event*
- *Name badges according to the contracted square meters*
- *Stand cleaning*
- *Security of the samples after exhibition hours*
- *Participation certificate*

*The minimum space to be contracted is 9 square meters (3 X 3 m).*

*Location on the map will be according to the order of application receipt and with the approval of the Organizing Committee.*

*Facilities will be offered for the contraction of audiovisual aids, lights, furniture, plants, etc., according to the fees expressed in the Services Form.*

*All the information regarding prices, participation norms, consignment conditions, customs regulations, etc., will be available at the Fairs and Exhibitions Department of the Havana International Conference Center.*
